

Smart Bay Gelding

Max is a 16.2h, 8 year old warmblood gelding. He is well schooled with a scopey jump. Clean limbs and moves well; a horse that would stand out in the show ring. He has show jumped, cross-country schooled and jumped full height spars with Otago Hunt. He has hunted/been on hound workouts numerous times this year. Will go in front or behind in the hunt field. Max has huge potential and is a great all-rounder. Good to shoe, travel and clip. \$20,000.
