

General Info

Name tags will be your entry into everything except the Ball and hound show lunch. Caterers will be checking to see what you have registered and paid for, based on your name tag.

Ball tickets will be allocated so you don't need to mess up your dresses!! They will be in your registration packs.

The hound show lunch will require the pink wristband in your registration pack.

Registration packs will be available from 4pm Saturday at the showgrounds or before the Hunts and before the Barndance. The bar will be open Saturday night when you register.

A paper list of essential contacts will be in your registration pack. Other information will be on the website.

There are to be no vehicles in the main arena of the showgrounds. Horse poo needs to be picked up around the showgrounds and put in the trailers provided.

Middlemarch township has very few facilities – a pub, a small shop with bread and milk and icecreams!! Maybe a pie! There is one fuel pump with diesel or 91 petrol.

If you require urgent laundry done, please contact Didee and she will sort you out. Otherwise, Mosgiel, the hound show day on the Wednesday, has a laundromat, which would be a better alternative.
